FAMOUS QUOTATIONS

HENRY W. GRADY—1889

“If there is any human force that cannot be withstood, it is the power of the banded intelligence and responsibility of a free community. Against it, numbers and corruption cannot prevail. It cannot be forbidden in the law, or divorced in force. It is the inalienable right of every free community. It is on this, Sir, that we rely in the South. Not the cowardly menace of mask or shotgun, but the peaceful majesty of intelligence and responsibility, massed and united for the protection of its homes and the preservation of its liberty.”
